YOUR SOLUTION

Invitation to DACH+HOLZ International 2024

The A to Z for your timber framing needs.

Dear carpenters and timber constructors,

We are very pleased to invite you to our booth at this year's **DACH+HOLZ International**, from **March 5-8 in Stuttgart, Germany**.

You can expect concentrated expert knowledge and our innovative solutions for **timber construction**.

The DACH+HOLZ trade fair offers the ideal opportunity to make contact with the experts from WEINMANN to get an overview of our **product portfolio** and our **services**. We support you with everything from production systems or single machines (including suitable software solutions), to services services and training courses through to individual consulting on company issues.

We are your partner from A to Z.

More information can be
found here:

A whole network of services.

- **Consulting**

Meet the market requirements! With our partner SCHULER Consulting you can analyze your individual situation and develop a strategic roadmap for your business.

- **Academy**

Increase your know-how! Further training qualifies your team and strengthen your company. They improve the work on the machine and the entire work process.

- **Service**

Always there for you! Fast, competent and close - this is our understanding of service. No matter wheter it's about machines and tools or software and maintenance.

Partner for timber construction

See our machines live.

The new Multifunction Bridge
WALLTEQ M-300 with fastener
Switch and batten shoe, which is
