YOUR SOLUTION

A large, modern architectural structure with a complex, lattice-like wooden roof and several tall, dark, column-like supports. The structure is illuminated from within, creating a warm glow against the dark sky. The overall scene is a wide-angle shot of the building's exterior.

LIGNA 2025

Inside Hall 14 at LIGNA 2025, you will experience how **HOMAG, WEINMANN, SYSTEM TM** and **KALLESOE**, together with our partners SCHULER Consulting, tapio, and BENZ, are helping our partners build living spaces.

From small craft woodshops to industry-level producers, **HOMAG** is the ideal partner for your business. No matter what you create, our ability to provide tailored solutions and innovative technology for your business is unmatched.

HOMAG

Machinery, software and service for the complete woodworking industry

KALLESOE

Customized RF press systems for the engineered wood product industry

SYSTEM TM

High-performance timber processing systems for the solid wood industry

WEINMANN

Customized equipment and systems for the off-site construction industry

All together in one place, you will see the top machinery and software solutions of today and the future, speak with our experts about your business' unique needs, and experience the complete range of **HOMAG** solutions.
